PRACTICAL EXPERIENCE

IT-Minor Capstone Project

Client: OurHouse

University of Arkansas at Little Rock - October 2023

- Worked with our client to meet their rebranding needs.
- Followed the new brand guidelines to create wireframes and design features.
- Learned the ins and outs of WordPress and Elementor to create a responsive and modern website.
- Capable of handling multiple tasks and meeting deadlines.
- Communicated with teammates to share knowledge and grow stronger together.

Spring Internship 2024

Company: Eric Rob and Isaac

January - April 2024

- Created visually appealing videos for social media platforms, specifically TikTok.
- Collaborated with marketing and communications teams to brainstorm ideas, provide creative input, and ensure brand consistency across all digital channels.
- Assisted in developing and implementing social media strategies to increase followers, drive website traffic, and enhance online presence.
- Monitored social media channels for engagement, responding to comments, messages, and inquiries in a timely and professional manner.
- Participated in team meetings and training sessions to expand knowledge of social media best practices, design techniques, and digital marketing tools.

Summer Internship 2024

Company: CJRW

6 weeks - June - July 2024

- Collaborated with an in-house web team to read, interpret, and contribute to existing code.
- Gained hands-on experience with ProcessWire CMS.
- Assisted in designing and refining email newsletters.
- Explored advanced wireframing techniques and Figma features.
- Collected and organized media, text, and screenshots from a client's old site to build a refreshed web presence.
- Contributed to branding development for a new project.
